**FOR THOSE WHO BELIEVE,  
AND FOR THOSE WHO DON'T.  
YOU CANNOT DENY - YOU ARE CURIOUS.**

I've been curious myself - on an endless journey to discover what I am and who I am supposed to be. Hours spent thinking and analysing these tests, all with similar results. Yet, I still discover myself every day.

It's an outline of how I work - but this does not define me - it does play a part of my essence. One thing I will take away from this - and will forever pride myself in is - originality.

CURIOUS? CURIOUS? CURIOUS? CURIOUS? CURIOUS?
